

July 20, 2009

Dear potential supporter:

Enclosed is an exhibitor packet for the 2009 Tennessee Chapter of the American Public Works Association's (APWA) joint annual conference. It will be held from Friday, October 23rd through Tuesday, October 27th in Kingsport, Tennessee. I encourage you to participate in this opportunity to exhibit your services and to promote your company.

As we did in 2008, the Tennessee Stormwater Association (TNSA) is partnering with the APWA to provide a parallel technical track, social events, and business meetings at the conference. The TNSA is an association of ninety (90) statewide storm water programs that are permitted under the EPA's National Pollutant Discharge Elimination System.

In an effort to provide separate events, the TNSA is also seeking exhibitors, sponsors and presenters. Exhibitors can use the form provided in the packet. The check box that provides TNSA with credit for your registration has already been filled in. Sponsorships are being sought for:

Sunday Night Social – \$1,000
Monday Evening Awards - \$500
Tuesday Morning Breakfast - \$1,000

Partial sponsorships and other donations, such as door prizes will also be accepted. Sponsor Boards will be displayed at the sponsored events and special thanks will be given before and after each event. Please complete the information on page 9 of the packet, but make checks payable to TNSA and send them to 605 Airways Blvd, Suite 109, Jackson, TN 38301.

If you have a suggestion for a storm water related topic or would be interested in making a presentation at the conference, please contact me at (901) 545-4325 or email me at chris.masin@shelbycountyttn.gov.

Thank you for your interest and I look forward to hearing from you soon.

Chris Masin, TNSA Vice-President
