Signature:		Date	:

The 2nd Annual West Trail Run is designed to promote stormwater educational efforts and to highlight successful green infrastructure practices that have been implemented within west Tennessee. This year, a portion of the proceeds will be awarded back to the community through a watershed quality award of \$1000 to promote the implementation of a local watershed quality stewardship project. Please join us in this campaign!

Please complete the attached form and return it with payment or pay online at https://www.tnstormwater.org/westtrailrun
